HG 17 FUT

HG 17 FUT is the best variable speed mono-rotary floor machine from 50 to 500 rpm! Thanks to this technological innovation, with only one machine it is now possible to perform an incredible range of works including scrubbing, polishing, honing, crystallization, vitrification, etc. HG 17 FUT is very noiseless scrubber machine.

*The basic price of machines does not include any accessories.

*The CPL version includes: tank, pad holder, brush.

Sturdy: quality components to last.

Safety: controls against accidental start and handle with hand protection.

Noiseless: with 3-gear box.

Versatile: the most complete range of accessories available on the market.
